

Kisase puchhein hamane kahan
Cheharaa-e-roshan dekhaa hai
Mahafil-mahafil dhundh chuke hai
Gulashan-gulashan dekhaa hai

Kisako dekhe kisako na dekhe
Phool bhi hai kaliyaan bhi magar
Jisase lagaai aankh usi ko
Dil kaa dushman dekhaa hai

Rag-e-bahaar-e-subah-e-gulistaan
Kyaa dekhe wo diwaanaa
Jisaki nazar ne ek hi ghool mein
Saaraa gulashan dekhaa hai

Ahal-e-wafaa ki khun ki chhite
Door tak ud kar jaati hai

Meraa tadapanaa dekhane waale
Apanaa bhi daaman dekhaa hai

Aaj unhe jo chaahe samajh
Lo waranaa yahi taski hai jinhe
Kal tak hamane ku-e-butaa mein
Kaaq-ba-daaman dekhaa hai.
