

Kisi ka to ho jaye moka hai akhiri  
Jawani hai khusbu  
Ye khusbu to udd chali  
Amar hoke sansar me kaun aaya hai  
Wo gul do ghadi ka bahare jo laya hai  
Rahegi na aisi rago ki rawani  
Tu apni jawani suhani bana  
Dard kisi ka dil me ho  
Jine ka koi maksad ho  
Jina wahi to hai jina  
Kisi ka to ho jaye moka hai akhiri  
Jawani hai khusbu  
Ye khusbu to udd chali

Baar baar rangin aachal  
Dawat tujhe de gaye de gaye  
Jar jar bahte ansu  
Mera to chain le gaye le gaye  
Apni khushi dhundho dunia me tum  
Sabki khushi na jisme shamil ho  
Wo jina bhi hai kya jina  
Dunia me hai gum harsu  
Sabki ankho me hai ansu  
Gum kiske batega tu  
Kisi ka to ho jaye moka hai akhiri  
Jawani hai khusbu  
Ye khusbu to udd chali

Yaar pyar se hi mujhko vasul pyare hai  
Bhul bhul gaye hotho ke  
Sholo se dil hare hai hare hai  
Baithe baithe kaise dekhenge ham  
Katil ke ye julm o sitam  
Tanha tanha ek tu kya kar lega  
Nahak apni jan dede ga  
Kali rat ka pahra ho  
Lakh andhera gahra ho  
Kfi hai bas ek diya  
Kisi ka to ho jaye moka hai akhiri
