

Kisi roz mangi thi tumne dua
Khuda ya mera aashik bana
Tumhari dua ho gayi hain kabul
Bana lo mujhe apne gajre ka phool
Dekh lo ek jhalak
Sar se paaw tak

Ek najara hoon main
Bas tumhara hoon main
Hai meri arzu leke mera lahu
Leke mera lahu
Hoth tum apne lal karo
Tum mujhe istemal karo
Tum mujhe istemal karo

Ye chunar chhod do ye najar tod lo
Pahan lo pyar ke baho ke haar ko
Resmi zulfo se bandh lo tum ujhe
Chahe dil jod do chahe dil jod do
Mera chahe jo haal karo
Tum mujhe istemal karo
Tum mujhe istemal karo

Main jiu ya maru hukam do kya karu
Main gulami karu main salami karu
Mai bichhona banu main khilona banu
Kuch bana lo mujhe ajmalo mujhe
Kuch bana lo mujhe ajmalo mujhe
Mujhse koi sawal karo
Tum mujhe istemal karo
Tum mujhe istemal karo

Ishk ke josh m etum nahin hosh mein
Chudiyaa tod di ungaliay mod di
Mera aachal hata mera kajal baha
Ye sarafat hain kya
Ye mohabbat hain kya
Ye sarafat hain kya
Ye mohabbat hai kya

Haye kuch to khayal karo
Akal ko istemal karo
Akal ko istemal karo
Tum mujhe istemal karo
Tum mujhe istemal karo.
