

Kisi se pyar hai hamko  
Magar ham naa batayenge  
Magar ham naa batayenge  
Tumhari inn jhuki  
Aankho se ham toh jan jayenge

Ham aankhe khol denge toh  
Ham aankhe khol denge toh  
Jhukana hamko aata hai  
Jhukana hamko aata hai  
Hato ham ruth jayenge  
Hato ham ruth jayenge  
Manana hamko aata hai  
Manana hamko aata hai

Agar ham phir bhi naa  
Mane toh palko par bithayenge  
Toh palko par bithayenge  
Kisi se pyar hai ham ko  
Magar ham naa batayenge  
Magar ham naa batayenge

Humare kaun ho tum ji  
Humare kaun ho tum ji  
Wohi jo dil churate hai  
Wohi jo dil churate hai  
Sikhai kis ne yeh chori  
Sikhai kis ne yeh chori  
Yeh do naina sikhate hai  
Yeh do naina sikhate hai

Jo yeh iljam ho jhutha toh  
Ham sach kar dikhayenge  
Kisi se pyar hai ham ko  
Magar ham naa batayenge
