

Chaand bhi dekha, phool bhi dekha
Baadal bijali titali juganu
Koyi nahi hai aisa tera husn hai jaisa
Tera husn hai jaisa

Meri nigaah ne yeh kaisa khaab dekha hai
Jamin pe chalata huwa maahtaab dekha hai

Meri aankhon ne chuna hai tujhako duniya dekhkar

Meri aankhon ne chuna hai tujhako duniya dekhkar
Kisaka chehra
Kisaka chehra abb main dekhu tera chehra dekhkar
Meri aankhon ne chuna hai tujhako duniya dekhkar

Nind bhi dekhi khaab bhi dekha
Nind bhi dekhi khaab bhi dekha
Chudi bindiya darpan khushbu, koi nahi hai aisa
Tera pyaar hai jaisa, haan tera pyaar hai jaisa
Meri aankhon ne chuna hai tujhako duniya dekhkar
Meri aankhon ne chuna hai tujhako duniya dekhkar
Kisaka chehra
Kisaka chehra abb main dekhu tera chehra dekhkar
Meri aankhon ne chuna hai tujhako duniya dekhkar

Rang bhi dekha, rup bhi dekha
Rang bhi dekha, rup bhi dekha
Rasta manjil saahil mehfil
Koyi nahi hai aisa tera saath hai jaisa, ho tera saath hai jaisa
Meri aankhon ne chuna hai tujhako duniya dekhkar
Meri aankhon ne chuna hai tujhako duniya dekhkar
Kisaka chehra
Kisaka chehra abb main dekhu tera chehra dekhkar
Meri aankhon ne chuna hai tujhako duniya dekhkar

Bahot khubsurat hai aankhein tumhaari
Bana dijiye inako kismat hamaari
Use aur kya chaahiye jindagi mein
Jise mil gayi hai mohabbat tumhaari.
