

Raat chup hai magar chand khamosh nahi,
Kaise kahun aaj phir hosh nahi,
Iss tarah dooba hoon teri mohabbat ki gehrayi mein,
Hath mein jaam hai aur peene ka shok nahi,

Kisko pata tere dil mein hai kya,
Chadta hai tujhpe kyun raat ka nasha baby,
Kisko pata tere dil mein hai kya,
Chadta hai tujhpe kyun raat ka nasha baby,

Dekhun jo tujhko,
Lagti shehzadi tu raaton ki,
Din chadte hi kho jaye,
Sham dhale tak nazar na aaye,

Ankhon mein teri,
Saare dil haare baithe firte,
Jaan jaan meri maan maan,
Tu dharti par hai husn pari,

Kisko pata tere dil mein hai kya,
Chadta hai tujhpe kyun raat ka nasha baby,
Kisko pata tere dil mein hai kya,
Chadta hai tujhpe kyun raat ka nasha baby,

Baby...baby...

Chehra hai ankhon mein yeh chehra,
Behka tujhe dekh ke main behka,
Rehta teri raahon mein dil rehta,
Sehta din bhar mera dil kehta,

Aao na oh baby aao na,
Batao na oh baby rehti kahan,

Kisko pata tere dil mein hai kya,
