

Kismat bigadi duniya badali
Kismat bigadi duniya badali
Phir kaun kisi kaa hota hai
Ai duniya vaalo sach to kaho
Kya pyaar bhi jhuthaa hota hai
Kismat bigadi duniya badali

Jab bura zamana aataa hai
Saya bhi judaa ho jaataa hai
Wo dil par chot lagaataa hai
Jo dil ko pyara hota hai
Kismat bigadi duniya badali

Duniya me wafa kaa naam nahi
Duniya ko wafa se kaam nahi
Sab jisako mohabbat kahate hai
Nadan wo dhokhaa hota hai
Kismat bigadi duniya badali

Tufaan se kashti bach nikali
Saahil pe pahunchakar dub gai
Bhagavaan tumhaari duniya
Me andher ye kaisaa hota hai
Kismat bigadi duniya badali

Kon kisika hota hai ae
Duniya walo sabara karo
Kya pyar bhi jhoothja hota hai
Kismat bigadi duniya badali.
