

Om om om om  
Bhagaynashi karam le jhankta  
Om shanti har koi mangta  
Bhagaynashi karam le jhankta  
Om shanti har koi mangta  
Kismat bole to sab mile  
Kismat bole tu kuch nahi  
Kismat bole to sab mile  
Kismat bole tu kuch nahi  
Kismat bole to pal me hi  
Har mushkil mit jati hai  
Har ek khushi zamane ki  
Baho me lehrati hai

Jo hai anadi bane khiladi  
Jo hai anadi bane khiladi  
Aage aage chale uski gadi  
Kismat bole to dharti palat  
Jhuk jata hai aasma  
Kismat bole to gair bhi  
Ho jata hai meharba  
Kismat bole to aankh lade  
Kismat bole to bat bade  
Kismat bole to manjil
