

Kitna sukun kitna aaram hai
Kitna sukun kitna aaram hai
Paas main tum ho aur hatho main jaam hai
Shaayad meri zindagi ki hasseen shaam hai
Kitna sukun kitna aaram hai
Paas main tum ho aur hatho main jaam hai
Shaayad meri zindagi ki hasseen shaam hai
Kitna sukun kitna aaram hai

Keh raha hai yeh dil bekudhi me sanam
Aur kya chaheie zindagi mein sanam

Keh raha hai yeh dil bekudhi me sanam
Aur kya chaheie zindagi mein sanam
Aashqi ka nasha aise jaata nahi
Tumko dekhe bina chain aata nahi
Kasie zinda rahu.,.

En hoton pe sirf tumhara naam hai
Paas main tum ho aur hathoo main jaam hai
Shaayad meri zindagi ki hasseen shaam hai
Kitna sukun kitna aaram hai

Dilrubha hai kiya meine ye feasla
Ab toh jeena nahi hai tumhare siva
Dilrubha hai kiya meine ye feasla
Ab toh jeena nahi hai tumare siva
Thoda pagal hoon mein thoda deewana hun
Bas tumara hoon mein sab se beeghana hun
Aur kya mein kahun
Ishq tera meri chahat ka innaam hai
Paas main tum ho aur hatho main jaam hai
Shaayad meri zindagi ki hasseen shaam hai
Kitna sukun kitna aaram hai
Paas main tum ho aur hatho main jaam hai
Shaayad meri zindagi ki hasseen shaam hai.
