

Idhar bhi udhar bhi yahan bhi wahan bhi
Idhar bhi udhar bhi yahan bhi wahan bhi
Dono taraf lagi yeh aag dono taraf jagi yeh paas
Hum tum hum tum
Hum tum kitne door door door kitne paas
Kitne door kitne paas door door pass paas
Idhar bhi udhar bhi yahan bhi wahan bhi

Pyaar ke raaste aise jaise bhool bhulaiya
Kachche dhaage se tum humko baandh lo saiyyaan
Pyaar ke raaste aise jaise bhool bhulaiya
Kachche dhaage se tum humko baandh lo saiyyaan
Dil chahe ek doosre ki thaam le baiyyaan
Dil chahe ek doosre ki thaam le baiyyaan
Hum dono kho jaayenge hota hai aisa ehsaas
Hum dono kho jaayenge hota hai aisa ehsaas
Hum tum hum tum

Hum tum kitne door door door kitne paas
Kitne door kitne paas door door pass paas
Idhar bhi udhar bhi yahan bhi wahan bhi

Yahan wahan kya saath samundar paar nahin milta
Logo ko rab mil jaata hai yaar nahin milta
Yahan wahan kya saath samundar paar nahin milta
Logo ko rab mil jaata hai yaar nahin milta
Is duniya mein sab ko aisa pyaar nahin milta
Is duniya mein sab ko aisa pyaar nahin milta
Jin ko milta hai yeh pyaar hote hai woh dil kuch khaas
Jin ko milta hai yeh pyaar hote hai woh dil kuch khaas
Hum tum hum tum

Hum tum kitne door door door kitne paas
Kitne door kitne paas door door pass paas
