

Kitne hi sagar kitane hi dhare
Tair rahi tair raha hoon
Mann majdhara koi na kinaara
Behta hoon behta raha hoon
Kitne hi sagar kitane hi dhare
Tair rahi tair raha hoon
Mann majdhara koi na kinaara
Behta hoon behta raha hoon
Kitne hi sagar kitne hi sagar

Yeh mann ka samandar
Sadiyon se gehra
Yeh mann ka samandar
Sadiyon se gehra
Lehron ka ant nahi hai
Ek pal dubna ek pal tairna
Ek pal dubna ek pal tairna
Jeena aur marna yahin hai
Kitne hi sagar kitane hi dhare
Tair rahi tair raha hoon

Basti ki shaanti
Aag bhi sulagni lagi hai
Saahilo ke paar jahaan
Basti ki shaanti
Aag bhi sulagni lagi hai
Jung ki agan se paani o ke saahil
Aaj pigalne lage hai
Chhod ke saahil tod ke kashti
Chhod ke saahil tod ke kashti
Behta hoon behta raha hoon
Kitne hi sagar kitane hi dhare
Tair rahe tair raha hoon

Aandhi tufaan rukti hai raahi
Aate hai dubone saare
Aandhi tufaan rukti hai raahi
Aate hai dubone saare

lyrics

Mann ka ye maajhi
Dhundhta hai phir bhi
Naye aakaash kinaare
Zindagi sehna zindagi behna
Zindagi sehna zindagi behna
Behta hoon behta raha hoon
Kitne hi sagar kitane hi dhare
Tair rahe tair raha hoon

Gehra ye saagar dhudhti
Disha e disha dikhata hai
Gehra ye saagar dhudhti
Disha e disha dikhata hai
Lehron ke haatho akaash
Chhunke jeena sikhata hai
Saagar pe rehna
Saagar mein behna
Saagar pe rehna
Saagar mein behna
Behta hoon behta raha hoon
Kitne hi sagar kitane hi dhare
Tair rahe tair raha hoon
Mann majdhara koi na kinaara
Behta hoon behta raha hoon
Kitne hi sagar kitne hi sagar.
