

Kitni baatein yaad aati hai
Tasveerein si ban jaati hain
Main kaise inhein bhooloon
Dil ko kya samjhaun

Kitni baatein kehne ki hai
Honton par jo sehmi si hai
Ik roz inhein sun lo
Kyun aise gum-sum ho

Kyun poori ho na paayi daastan

Kaise aayi hai aisi dooriyaan

Dono ke dilon mein chhupa hai
Jo ik anjaana sa gham
Kya ho paayega woh kam
Koyi kya kahe

Dono ne kabhi zindagi ke
Ik mod pe bhi jo paayi
Hai kaisi woh tanhaai
Koyi kya kahe

lyrics

Kitna viraan hai ye sama

Saanson mein jaise ghulta hai dhuwaan
Kaisi aayi hai aisi dooriyaan

Kitni baatein yaad aati hai
Tasveerein si ban jaati hain
Main kaise inhein bhooloon

Tumse aaj yun milke dil ko
Yaad aaye lamhein kal ke
Ye aansoon kyun hai chhalke
Ab kya kahen

Tumne hamko dekha jo aise
Toh ik umeed hai jaagi
Phir tumse pyaar paane ki

Ab kya kahen

Aa gaye ham kahaan se kahaan

Hariharan:

Dekhe mudke ye dil ka kaarvaan
