

Kitni Gardi Hai Lyrics

Kitni gardi hai
Gardi mei bhi lonely thi
Sab mein one and only thi
Claustrophobia se maine
Full and final 'frenship' ab kardi hai
Kyunki gardi hai
Kyunki gardi hai

Chengrachengri badhri hai
Chillamchilli badhri hai
Kyu nadri hai kyu ladri hai
Kyu adri hai jhagadri hai
Sab waste hai
Sab waste hai

Mai meri sister dono the local
One sister silent one sister vocal
Bambaiyya total havaa aney de
Chal nikal machal sambhal le aachal
Malmal mulaayam hai station dekh sion hai
Utar le west udhar se best
Best bhi abhi mast ac kardi hai
Phir bhi nahi padri saali sardi hai

Kyu ki gardi hai re baba gardi hai
Yeh nagri apni sad rahi hai

Chipakna seekh seekha toh theek
Ya toh khisak le kahin
Saansein mili bataur bheekh
Sehna hai kehna nahin

Bakre mein mutton se jyaada toh charbi hai
Maachis ki dibbi mein fire full bhardi hai
Farzi hai apna ye darzi jo apne hi marzi se de sabko vardi
Yeh sab saala same to same

Yeh sab saale hain same to same

Kare paisa paisa
Pandra minute fame ka game
Sab lame hai lame

Slow hai yeh train re fast leni padti hai
Hustle ki booking in sab ne bhi kardi hai
Par phir bhi story apni dardi hai
