

Kluk kluk kluk kluk  
Kluk kluk kluk kluk kluk kluk kluk kluk  
Koyi samjhaaye mujhe kluk kluk  
Kluk kya hota kluk kluk kluk  
Koyi samjhaaye mujhe kluk kluk  
Kluk kya hota kluk kluk kluk  
Meri raato ki nind gayi, din kaa chain gaya  
Kya hota hai yeh kluk kluk kluk kluk kluk  
Koyi samjhaaye mujhe kluk kluk  
Kluk kya hota kluk kluk kluk  
Meri raato ki nind gayi, din kaa chain gaya  
Kya hota hai yeh kluk kluk kluk kluk kluk

Jab dil mein dhadkan mein  
Koyi aake sama jaayega  
Ik pal mein tere mann mein  
Koyi jaadu jaga jaayega  
Are bada tadpaaye woh hai kluk kluk kluk,  
Jo hosh udaaye woh hai kluk kluk kluk  
Jab raato ki nind aur, din kaa chain jaaya  
Yahi hota hai yeh kluk kluk kluk kluk kluk kluk

Yeh kya laga rakha hai kluk,  
Thodi chhalaki thoda dhokha hai  
Banaao bhole bhaalo ko bevkuf,  
Mila achchha mauka hai

Yu hi kuchh log mehfil mein  
Kisi se kyon ulajhate hain  
Yu hi kuchh log mehfil mein  
Kisi se kyon ulajhate hain  
Yeh dilwaalo ki baate  
Dilwaale jaanate hain  
Dilwaale samajhate hain

Maine jara jara yeh jaana,  
Thoda thoda pahchaana  
Iss baat kaa matlab kya hai,  
Ik baar aur batlaana  
Jab najaro ki gaadi chale chhuk chhuk chhuk

Toh dil me jo hota hai woh dhuk dhuk dhuk  
Jab raato ki nind aur, din kaa chain jaaya  
Yahi hota hai yeh kluk kluk kluk kluk kluk kluk

Aise kyon mehkati hai paagal hava  
Main kuchh kuchh samajh gayi,  
Main kuchh kuchh naa samajhi  
Bahaki bahaki si kyon nashili ghata  
Main kuchh kuchh samajh gayi,  
Main kuchh kuchh naa samajhi  
Paas aaye jo tu mere toh  
Phir main tujhe bataau  
Inn sabako vahi huwa hai  
Kaise tujhako samajhaau  
Sharama ke palak jaaye jhuk jhuk jhuk  
Sine mein saans jaaye ruk ruk ruk  
Jab raato ki nind aur, din kaa chain jaaya  
Yahi hota hai yeh kluk kluk kluk kluk kluk kluk

Haan abb toh samajh gayi kluk kluk kluk  
Yeh kya hota hai kluk kluk kluk  
Koyi mile kisi se jab chhup chhup chhup  
Woh saari umrr rahe chup chup chup  
Jab raato ki nind aur, din kaa chain jaaya  
Yahi hota hai yeh kluk kluk kluk kluk kluk kluk.
