---

Kon khada bahar kon khada bahar  
Kon khada bahar kon khada bahar

Knock knock on your door  
Ja ke dekho beta kon khada bahar  
Dollar sign with the flow in the zone lagatar  
Tujhe naam dikhe roz jabhi khol samachaar  
Tere soch samajh paar rehna roz khabardaar

Mujhe raaye de re log mile roz salahkar  
Agar dost bana yaar to main most wafadaar  
Aake jo kare waar mile so dafa haar

Main wo kalakaar  
Mili bahot daga yaar  
Fir na ho saka pyar  
Jaake roz gala fadd tu na ho saka star  
Tu hai khokla mili tujhmein no kala yaar

Tera mauka laga par hua chauka na paar  
Chahiye 2 rr thoda rokda yaar  
Maine jo kara aaj chadha bohota bada pahad  
Ab main roz kar raha show kar raha note jama chaar

Dilaoon tujhe aaj dilasa yeah  
Jaha mai pala bada wo na khas ilaka  
Ab hua thoda bada to mujhe bhi pata chala  
Mujhe dikhe inke munh pe ab saaf nirasha

Aaj kal launde jale mere naam se zyada  
Teri aankhon mein bhi dikhe jab tu haath milta  
Ye na lenge meri jagah de doon aaj ye waada  
Ab reham nahi aata jaise sathh bipasha

Ooo  
Cold as usual  
Main pitbull in a row of poodles  
Bula lee puri crew 'cause they know its crucial  
Came with two sticks jaise khata roz ye noodles

Naukri pe jata mile stipend  
Pasand na wo din I didnt like them  
Boloon fuck you and your five friends  
I dont like you I dont like them

Mere dost movin keys they werent typin  
Ham bhai nai you were never my friend  
If I talk about my dick then its gigant  
Tic what she say when I slide in

Mujhse kabhi chute na punches ye  
Jaante I keep it a hunnid  
I am keepin it comin lage  
Mujhe weak in the stomach  
Ye aake denge mujhe heat  
Somewhere deep in the comments  
Main khata beat just like a freak and  
Then I leave in the mornin

Knock knock whos there  
Darwaze pe main khada aur ye rooth gaye  
Knock knock whos there  
Dollar sign tumhe laga tha ye bhool gaye

Knock knock whos there  
Darwaze pe mai khada aur yeh rooth gaye  
Knock knock whos there  
Dollar sign tumhe laga tha ye bhool gaye

Haan suna mene abhi bhi ye khafa hai  
Kyuki chali meri hawa hai  
Mili daga aur ye gane mere dawa hai  
The iron stay smokin chhote garam rehta tawa hai

Its me against the world  
Jaise pac bola  
Upar wale ke hi aage  
Maine hath joda

Karta jali na bardasht  
Karta gaaliyan na maaf

Niyat hogi kaise saaf  
Jab tu naaliyon mein paap dhora

Never changed I am the same guy still  
Main to abhi bhi hoon wo if I aim I kill  
Teri baate kyon sunoon do you pay my bills  
Inki bandiyan backstage and they might chill

Dekhh bhai still I might make 5-mil  
Ye chashma laga ke bhi na dekh paaye skill  
Inki baatein badi-badi kaafi fake I feel  
Kabhi kare na deliver like they take I-pills

I am knee deep in the game karoon defeat  
These beats kare mujhe suit jaise three-piece  
Ggs on top jaise dps lyricsread.Com  
T3 leta hu mai flight every 3 weeks

Time nahi he mere paas soch vichaar ka  
Flow bekaar sa fir bhi mai dosh ni dalta  
Jeet ta aaj to mera dost ni haarta  
I am a stand up guy par main jokes ni maarta haan

Laga mera pen hai rusty  
Aur aa rahe nahi gane to ye panne dusty  
I am back son dekho inki tab kilsti  
Jab drop karu bomb lage jung philistine

Eena-meena-deeka mere bina jeena feeka  
Piya solah pe sativa fir madira peena seekha  
Boloon dayi daama dika boloon hi mamacita  
Lookin fine I wont lie  
Comin right through your speaker like

Knock knock whos there
