

Chhod de man ke bhed bhaav ko  
Tod de jhoot ki chaar deewari  
Janam maran ke ek taar se  
Bandhi hui yeh duniya saari

Koi aata koi jaata hai  
Koi aata koi jaata hai  
Sukh dukh dono paaon par  
Sansaar yeh chalta jaata hai  
Koi aata koi jaata hai

Ek dagar ke ham sab raahi  
Har bhare logo ki duniya

Basti hai kab naayri  
Jaane phir kyun man ka panchhi  
Maya phas jaata hai  
Koi aata koi jaata hai  
Koi aata koi jaata hai

Bhooke ko roti de apni  
Khud bhooka so jaaye  
Aur ka dukh apna samjhe  
Wo insaan kahaye  
Jo matlab se liye jiye  
Wo jeete jee mar jaata hai  
Koi aata koi jaata hai  
Koi aata koi jaata hai.
