

Hum jahan se dur rehna chahate hai
Gham ke nashe mein chur rehna chahte hai
Majburiya achi lage itni hame
Ke har gadi majbur rehna chahte hai
Koi humko na dekhe hum na dekhe kisi ko
Koi humko na dekhe hum na dekhe kisi ko
Dekhe vo jisne luta meri khushi ko meri hasi ko
Koi humko na dekhe hum na dekhe kisi ko

Har chaman ek din hanske aati hai bahar
Meri kismat mein the ughane
Badnasibi ke ye khawab
Le jau kaha haye le jau kaha
Le jau kaha haye le jau kaha mai apni bebsi ko
Koi humko na dekhe hum na dekhe kisi ko

Jisko dil apna diya usne tukhde kar diye
Mar chuki jiski tamnna wo bala kaise jiye

Khush rahe bas wo sitamghar ro rahi jiske liye
Wo jane bala kyu kar, wo jane bala kyu kar
Wo jane bala kyu kar is dil ki lagi ko
Is dil ki lagi ko
