

Koi kya pahchane jiska gam wohi jane
Koi kya pahchane jiska gam wohi jane
Begane lage apne aur apne lage begane

Koi kya pahchane jiska gam wohi jane
Koi kya pahchane jiska gam wohi jane

Kya hai milna kya bichadna
Khel sab takdir ke
Ek hoke kyu hai lagte rang do taswir ke
Waqt badle badle chehre
Kab ho ka kisko pata
Yahi dunia ki reet hai
Koi mane ya na mane
Koi kya pahchane jiska gam wohi jane
Koi kya pahchane jiska gam wohi jane

Muskurahat ki lahar me aansuo ki pyas hai
Dur dil se dil ki dhadkan
Fir bhi aas paas hai
Kya wafa kya bewafai
Raz ye jane hai hum
Koi karta nahi janke hoti hai khata anjane
Koi kya pahchane jiska gam wohi jane
Koi kya pahchane jiska gam wohi jane
Begane lage apne aur apne lage begane
Koi kya pahchane jiska gam wohi jane
Koi kya pahchane jiska gam wohi jane.
