

Koi na data is jag me  
Aankho se majbhur  
Dunia me rah kar bhi hum hai  
Is dunia se dur  
Aankhe badi hai le mat baba  
Aankhe badi hai le mat baba  
Jinse jag ujjiyara  
Andho par kya gujare  
Ye kya jane aankho vala  
Aankhe badi hai le mat baba  
Baba, baba, baba, baba  
Aankhe badi hai le mat baba

Oro ki to raat andheri  
Apna din bhi andhera  
Oro ki to raat andheri  
Apna din bhi andhera

Hum hai jaha par us dunia par  
Kabhi na hua sawera  
Suraj chand sitare sab ko  
Suraj chand sitare sab ko  
Dekha humne kala  
Aankhe badi hai le mat baba  
Baba, baba, baba, baba  
Aankhe badi hai le mat baba

Kadam kadam par thokar khaye  
Rah chali na jaye  
Kadam kadam par thokar khaye  
Rah chali na jaye  
Fir te hai  
Apne kandhe par apni lash uthaye  
Jiwan bhi ek bojha bana hai  
Jiwan bhi ek bojha bana hai  
Kab tak jaye sambhala  
Aankhe badi hai le mat baba  
Baba, baba, baba, baba  
Aankhe badi hai le mat baba

Kab tak yu hi sahte jaye  
Dunia ke tano ko  
Nur chhina behra bhi kar de kano ko  
Dekh liya ji bhar ke humne  
Tera khel nirala, tera khel nirala  
Dekh liya ji bhar ke humne  
Tera khel nirala  
Aankhe badi hai le mat baba  
Baba, baba, baba, baba  
Aankhe badi hai le mat baba  
Aankhe badi hai le mat baba  
Jinse jag ujjyara  
Andho par kya gujare  
Ye kya jane aankho vala  
Aankhe badi hai le mat baba.
