

Koi na koi to sabhi mein kami hai
Koi na koi to sabhi mein kami hai
Thoda thoda harjai har admi hai
Main jaisa bhi hu
Waisa swikar karlo
Warna kisi dusre se
Pyar karlo pyar kar lo
Koi na koi to sabhi mein kami hai
Thoda thoda harjai har admi hai

Deewana hu lekin
Tumhara deewana
Tumhara deewana
Sikhadunga tumko main
Dil ka lagana dil ka lagana
Hua kya jo main duniya ka ji na janu
Magar janta hoon main yaari nibhana
Meri yari ka tum bhi ikrar karlo
Warna kisi dusre se

Pyar karlo pyar kar lo
Koi na koi to sabhi mein kami hai
Thoda thoda harjai har admi hai

Khot na ho jisme
Wo darpan dikha do
Wo darpan dikha do
Daag na ho jisme
Wo daman bulado
Wo daman bulado
Jiske gulabo mein kate nahi ho
Jiske gulabo mein kate nahi ho
Duniya mein aisa koi gulsan dikha do
Mere kato ko phoolo ka haar kar lo

Warna kisi dusre se
Pyar karlo pyar kar lo
Koi na koi to sabhi mein kami hai
Thoda thoda harjai har admi hai.
