

Koi tirchi nazar se
Dekh raha hai chup chup
Teri bhi chup meri bhi chup
Teri bhi chup meri bhi chup

Koi tirchi nazar se
Dekh raha hai chup chup
Teri bhi chup meri bhi chup
Teri bhi chup meri bhi chup

Rang rangili sham suhani
Tujhe sunaye nayi kahani
Pachtayegi jeevan bhar
Jo karegi aana kani
Chod de apni ye nadani
Chod de apni ye nadani
Aaja gup chup aaja gup chup
Aaja gup chup
Koi tirchi nazar se
Dekh raha hai
Chup chup chup chup
Teri bhi chup meri bhi chup
Teri bhi chup meri bhi chup

Apne sar ki khair manale
Tan ki ujali man ke kale
Tere jaise lakho firte
Pyar jatane wale
Chota muh or bade niwale

Chota muh or bade niwale
Ho ja gup chup ho ja gup chup
Ho ja gup chup
Koi tirchi nazar se
Dekh raha hai
Chup chup chup chup
Teri bhi chup meri bhi chup
Teri bhi chup meri bhi chup
Teri bhi chup meri bhi chup
Teri bhi chup meri bhi chup

Rup dhalega dhoop ke jaise
Lathi leke chalogi aise
Tum jaiso se aankh milake
Bat banegi kaise
Jaisi tum ho hum bhi waise
Jaisi tum ho hum bhi waise
Baitho gup chup baithp gup chup
Baitho gup chup
Koi tirchi nazar se
Dekh raha hai
Chup chup chup chup
Teri bhi chup meri bhi chup
Teri bhi chup meri bhi chup
Teri bhi chup meri bhi chup
Teri bhi chup meri bhi chup.
