

Koi ye kaise bataa ye ke vo tanhaa kyoo hai ?
Vo jo apna tha vohi aur kisi ka kyoo hai ?
Yahi duniya hai to phir aisi ye duniya kyoo hai ?
Yahi hota hai to aakhir yahi hota kyoo hai ?

Ek zaraa haath badhaa de to pakadale daaman
Usake sine me samaa jaye hamaari dhadakan
Itani kurbat hai to phir faasalaa itanaa kyoo hai ?

Dil-e-barabaad se nikalaa nahi ab tak koi
Ek lute ghar pe diyaa karataa hai dastak koi
Aas jo toot gayi phir se badhaataa kyoo hai ?

Tum masarrat ka kaho ya ise gam ka rishtaa
Kahate hai pyaar ka rishtaa hai janam ka rishtaa
Hai janam ka jo ye rishtaa to badalataa kyoo hai ?
