

Pehli vaari vich aasmaan vekheya
Duji vaari tainu meri jaan vekheya
Surat te sirat tey adah baqamal
Jihne dekheya ni tainu ki jahan dekheya

Dekhte hi madhosh kar jaan waliye
Ankhaan nu ankhaan ch paa ke jaan len waliye
Qayanaat chupp jadonh tu boldi
Ni tera mishri baddh mitha bol hi hunde

Haaye pehla pehla ambraan ch dekheya bahot chann
Ajj kal baitha mere kol hi hundae
Ni haaye pehla pehla ambraan ch dekheya bahot chann
Ajj kal baitha mere kol hi hundae

Ni haaye pehla pehla ambraan ch dekheya bahot chann
Ajj kal baitha mere kol hi hundae

Waa khuda kya khuda cheej banayi aa
Meri reejh uttey haaye ainni reejh laayi aa
Kitey nazar hi naa lagg jaye meri hi meri jaan nu
Nazaraan milanvaan jandi nazar hatayi naa

Ohdi veeni vich paike wanga nu vi maan ae
Ohde uttey auna husan tey ehsaan ae
Husn-e ghulam hundi saari duniya
Par husan ghulam kisey kisey kol hi hundae

Ni haaye pehla pehla ambraan ch dekheya bahot chann
Ajj kal baitha mere kol hi hundae
Ni haaye pehla pehla ambraan ch dekheya bahot chann
Ajj kal baitha mere kol hi hundae

Ni haaye pehla pehla ambraan ch dekheya bahot chann
Ajj kal baitha mere kol hi hundae

Lagge je pyaas oho paani bann jey
Mai ohda raja meri raani bann jey
Parhane je baitha mai kitab-aan nu kade
Haaye panneya tey baith jey kahani bann ke

Deep naal jaggey bann loh
