

Komma Veedi Song Lyrics

Komma veedi guvve veluthondilee
Puvvu kanta neere kurise

Amma oodi veede pasipaapala
Vekki vekki manase thadise

Chadive badike vesavi selavula
Thirigi gudiki raavali nuvvila

Okkapoota nijamai mana kalalu ila...
Mundarunna kaalam gadichedi yela
Bratuke gathamai ee chota aagelaa

Kannu vidi choope veluthodilee
Kanta neeru thudiche-devare

Chirunavvule ika nannu vedichenule
Ninu viduvani ye nanno vethikenule

Chiguraashale ika swase nelipenule
Mana oosule jathaleka yedabaselee

Naa nunchi ninne veedadhiseti vidhinaina
Vedhinchi oodinci inko janme
Varam... Varam...

Manam manam chero-sagam
Chero-dishalle maarinaa
Oke swaram yekaksharam
Chero padhamlo cherinaa..

Nuvvunna vaipu thappa choopu thappu disanu choopunaa..
Adugulanni manamu kalisivunna daari vedichena
Mari mari.. Ninnadagamandhi gnaapakaala uppenaa
Chiraayurvedo oopirai neekosam
Eduru choopu kavithale raase neekai...

Malli raaa...
