---

Vayyari o vayyari  
Nee oohalloney savaari  
O vayyari o vayyari  
Manasantha needhey kacheri

Naa fuselu egiripoye  
Nee andham chudaganey  
Naa needa veligipoye  
Nuvvey ala navvagney

Rivvu mannadhi pranam  
Thoonega laga

Kothaga kothaga rekkalochena  
Kothaga kothaga rekkalochena  
Kothaga kothaga rekkalochena

Vayyari o vayyari  
Nee oohalloney savaari  
O vayyari o vayyari  
Manasantha needhey kacheri

Nuvvu nenu kalusukunna chotu  
Okariokaru ichukunna treatu  
Malli malli entha gurthosthunnayo

Nuvvu nenu kalupukunna coopulu  
Nachi nachi panchukunna maatalu  
Marichipodamantha suluvu kadhammayo

Mercury lightulunni  
Manakosamey edhuruchusey  
Perfume gaalulanni  
Marala ninnu nannu pilichey

Arey innalllu ledhey  
Ee vinitha varasa

Rangupoola thothalaga marindhi le

Lakshanalu batti dheeni gurthu pattalenu
