

Koyal bole ku papiha bole pi
O jeenewale duniya mein has has jee
Has has ke jee are o rona na kabhi

Koyal bole ku papiha bole pi
O jeenewale duniya mein has has jee
Has has ke jee are o rona na kabhi
Are koyal bole

Apni charo aur dekh le
Chidiya ghar ke chor
Are bhai jage jage
Are bhai jage jage
Masti mein dub ke nach rahe hai mor
Tu bhi mann ki khidaki khol re
Tu bhi hanshi khushi mein jara dol re
Badi anmol hai re teri ye zindagi
O badi anmol hai re teri ye zindagi
Koyal bole ku

Koyal bole ku papiha bole pi
Koyal bole ku papiha bole pi
O jeenewale duniya mein has has jee
Has has ke jee are o rona na kabhi
Koyal bole ku

Jaha zara si aafat aayi
Log machate hai halla
Log machate hai halla
Koi pukaare haay ramji
Koi pukaare allah
Koi pukaare allah are oo
Are honi ho jab yahi baat
Jo kismat mein likhi
Phir mahte ko pit pit ke
Kyun rota hai fakir
Yaha milte hai sadaa soor re
Zara baaton ko bhi karle kabul re
Ye hai tujhse hamari chhoti si binatti
Ye hai tujhse hamari chhoti si binatti

Koyal bole ku papiha bole pi
Koyal bole ku papiha bole pi
O jeenewale duniya mein has has jee
Has has ke jee are o rona na kabhi
Koyal bole ku.
