---

Koyil silaye  
En thaayin nagale  
Un annan illai amma naane

Thogai mayile  
En vaazhvin porule  
Un annan illai amma naane

Uyire pogum nodiyum  
Anbai tharuven naan thaane  
Ulage mayirai theriyum  
Undhan madiyil ponmaane

Koyil silaye  
En thaayin nagale

Theruvile vaazhkai vaazhthalum  
Unnai theril vaipene kanne  
Kadavule vanthu sonnaalum  
Unnai piriyaamatene penne

Moochu nintru ponalum  
Aaviyaagi naan varuven  
Ulagin moththa anbellaam  
Unakku kaattuven

Iniyor piravi eduthaal  
Unaku thaayaaga maaruven

Azhuthidum unnai naan kandaal  
Enakkul thaaippaale surakkum  
En viralinai pidithu vanthaal  
Sorkkam mann meedhu pirakkum

Unnai bhoomi udainthu ponalum
