

Krishna Vrinda Vihari (Title Track) Song Lyrics

Gudu gudu gunjam govinda
Torture ittaa untundaa
Nene paddaa ee goyyi
Naakosam ne thavvindaa

Nene techhina lakshmi bomb
Naa chethullo peli
Kompaku nippantinda aa aa

Krishna vrinda vihari edhi dhaari
Sandhedho choopinchayya potha dhoori

Dhada dhada dillo gopala
Naa bhadhettaa cheppaala
Etthi etthi helicopter
Shotlaadesthunnaru dhoni laa

Left'u right'u vaayisthunnadhi bhalle bhalle
Naa bathuke punjabi dhola

Krishna vrinda vihari edhi dhaari
Sandhedho choopinchayya potha dhoori
Krishna vrinda vihari edhi dhaari
Sandhedho choopinchayya potha dhoori

Front ki polemu... Back ki raalemu
Giant wheelekki chikka rabba rabba

Kinda choosthe fire'u
Paina choosthe air'u
Kolimilo inume ayyaa abba abbaa

Bad luckke car yekki
Wrong route ye nadipinchindhe
Hey rama antunnaa
Adhi boothe inipinchindhe

Addhamlo naa karme
Nanu choosi ikilinchindhe

Hey, save me swamy nuvve
