

Kuch aur sitam honge
Kuch aur alam honge
Tadpayenge sab hamko
Tarsayenge sab hamko
Rote hue aaye hai
Rote hue jayenge
Par shikwa jubaan par hum
Laye hai na layenge

Itraai hui kaliya lalchai hui kaliya
Itraai hui kaliya lalchai hui kaliya
Kya jaane jaha kya hai ye
Umare rawa kya hai
Kya jaane jaha kya hai ye
Umare rawa kya hai

Ek jhoka hawa ka hai
Ek teer kaza ka hai
Ek jhoka hawa ka hai
Ek teer kaza ka hai

Kis saher se aaye hai
Kis saher ko jayenge
Allah ke bhedo ko
Paya hai na payenge
