

Kuch na kaho, kuch bhi na kaho
Kuch na kaho, kuch bhi na kaho
Kya kehna hai, kya sunna hai
Mujhko pata hai, tumko pata hai
Samay ka yeh pal tham sa gaya hai

Aur is pal mein koi nahin hai
Bas ek main hoon, bas ek tum ho
Kuch na kaho, kuch bhi na kaho

Kitne gehre halke, shyaam ke rang hai chhalke
Parvat se yun utre baadal jaise aanchal dhalke
Kitne gehre halke, shyaam ke rang hai chhalke
Parvat se yun utre baadal jaise aanchal dhalke
Aur is pal mein koi nahin hai
Bas ek main hoon, bas ek tum ho
Kuch na kaho, kuch bhi na kaho

Sulgi sulgi saansein, baheki baheki dhadkan
Maheke maheke shyaam ke saaye, pighle pighle tan mann
Sulgi sulgi saansein, baheki baheki dhadkan
Maheke maheke shyaam ke saaye, pighle pighle tan mann
Aur is pal mein koi nahin hai
Bas ek main hoon, bas ek tum ho
Kuch na kaho, kuch bhi na kaho
Kya kehna hai, kya sunna hai
Mujhko pata hai, tumko pata hai
Samay ka yeh pal tham sa gaya hai
Aur is pal mein koi nahin hai
Bas ek main hoon, bas ek tum ho.
