

Kuchh aur zamana kehta hai
Kuchh aur hai zid mere dil ki
Kuchh aur zamana kehta hai
Kuchh aur hai zid mere dil ki
Main baat zamaane ki maanun,
Ya baat sunun apne dil ki
Kuchh aur zamana kehta hai

Duniya ne hamein berahmi se
Thukara jo diya, achchha hi kiya
Nadan ham samajhe baithe the
Nadan ham samajhe baithe the
Nibhati hai yahaan dil se dil ki
Kuchh aur zamana kehta hai

Inasaaf, muhobbat, sachchayi
Wo rahamo qaram ke dikhalaave
Kuchh kahate zuban sharamati hai
Kuchh kahate zuban sharamati hai
Puchho na jalan mere dil ki
Kuchh aur zamana kehta hai

Jo basti hai insaanon ki
Insaan magar dhundhe na mila
Insaan magar dhundhe na mila
Patthar ke buton se kya kije
Fariyaad bhala tute dil ki
Kuchh aur zamana kehta hai
