

Haa ye hawa kaise badle dekho  
Umar ko badhke dekho  
Aur baadalon ki raah e badal gayi

Kaddu o ka kad badhta jaaye  
Patta patta rang badle haaye  
Par kuchh to hai jispe hai ab bhi yakeen  
Haan kuchh hai jo badle naa  
Jaise haath mein tera haath  
Kuch rehta hai pehle saa  
Jaise saath mein tera saath  
Jaise waada ho jo ki pakka ho  
Reh jaaye dil mein yun  
Kuchh hai jo badle naa  
Jaise saath main aur tu

Pattjhad ka mausam jo aaye  
Mujhe apna kal dekho bulaye  
To kehdo mere yaar dil mein  
Baate hai jo dabi

Kaise kehna hai tum batao na  
Anguthi pehna na tum sikha o na  
Chhod do apni fikre tum mujhpe sabhi

Haan kuchh hai jo badle naa  
Jaise pyaar use karta hoon  
Kuchh rehta hai pehle saa  
Jaise kitna pyaara tu  
Maine thana hai use paana hai  
Bolo na kyaa karun thik hai  
Kuchh hai jo badlne na  
Sven batao use kya kahun

Bechain hawae kyun mujhko yun pukare har pal  
Kya kehna chahe kya badal raha hai anewala kal  
Hai pal anmol ye hathon se chhute na  
Ye rukte hai na roke to is palko khul ke jeele aa jara

Ye badalti jaaye or umar sabki badhti jaaye  
Ab to hoga wahin jo dil ye chahega

Yaahan kabhi koi na ho kabhi bhi  
Na gham ka saaya kahin bhi  
Enchanted land ka parcham yun hi lehrayega  
Parcham lehrayega..parcham lehrayega..  
Kuchh hai jo badle naa  
Ik pal mein badle pal  
Kuchh rehta hai pehle saa  
Haan dekhenge kal ki kal  
Kismat apni badle na kabhi  
Chahe badale harsooo  
Kuchh hai jo badle naa
