

Kuch pal palkhon mein palte hain  
Kuch pal aankhon mein jalte hain  
Toota sa khaab lekar, door late huye  
Kuch pal karvat badaltein hain

Lavson mein khud ko chupaaye, paheli se  
Ya sang sang muskuraye, saheli se  
Kuch pal saanson ko khalte hain

Rishton ke raaston par jhilmilate hain  
Nainon ki kashtyon mein doob jaate hain  
Kuch pal sooraj se dalte hain

Yeh pal to hain musafir, chalte jaayenge  
Dheere dheere lamha lamha bhool jayenge  
Apni dhun mein tehelte hain.
