

Kurbaan hua
Teri tishnagi mein yun
Kurbaan hua
Teri aashiqui mein yun

Bekhuri mein bekali mein
Bekasi mein hua
Tujhko har dua di, aur dagaa bhi
Aur fanaa hua

Kurbaan huaaaaa...
Kurbaan hua ha haaannnaaa..
Ada pe...wafa pe....jafa pe
Kurbaan huaaaa

Kurbaan hua ha haaannnaaa...

Ru-ba-ru hai tu magar
Tanha hai yeh jahaan
Jal uthe meri kufr se
Saanson ka yeh samaan
Oooooo...
Kya hua
Pal mein jaane kho gaya kyon
Tu mila aur judaa imaan hua yun

Marne ka sabab
Maangta raha dar-ba-dar
Mitne ko toh dil
Pal mein raazi hua

Poori hui har aarzoo
Har daastan meri
Ke tum shuru hue jahan
Main khatam hua

Kurbaan huaaaaa...
Kurbaan hua ha haaannnaaa..
Ada pe...wafa pe....jafa pe
Kurbaan huaaaa
Kurbaan hua ha haaannnaaa...
