---

Kurisenila naa paina  
Kanulanchuna ee kanneere merisenaa  
Murisenila yeda lonaa  
Ee sandhadi savvadulunna navvula velana

Emo yenaatidho mana sneham  
Annatte undhi bandham  
Ye kshanamo epudo ento  
Ee kadha aarambham

Nijamaa kala lona lene lena  
Velugullo naa navvena  
Ee nimisham alalai egise  
Naalo aanandham

Dhooraala bhaaram theeri  
Bhaavaalu dharike cheri  
Manasemo aduguthu undhe  
Nanne endhuku yeri kori

Theliyane ledhule  
Thelise nee vallane  
Ninna leni vannele enno

Ninnilaa kalipene  
Kaalame malupulo  
Theere maare yedhalo

Theliyane ledhule  
Samayame kshanamulai  
Madhuramaina marapule enno

Mananila kalipene  
Kaalame malupulo  
Jagame manamai gadhilo

Anukoledhugaa ilanti  
Manasula kalayika enneno  
Thaguvuala thootalo poosindha
