

Kurravada Kurravada Song Lyrics

Kannullona dacha ninnu
Roju edutane chudaga
Swsallona mosala ninnu
Nuvve na thodai raga

Vintunna ninnate
Guruthulanni talachukuntu
Neetho prathi nimisham untu

Tirigesthunna ni
Cheyi nenu pattukuntu
Nee kalalenna kantu

Kurravada kurravada
Nuvve adugu jada
Gunde goda meeda unna
Bomma needira

Kurravada kurravada
Nuvve velugu needa

lyrics

Mabbylo sinuka mannylona molakalesele
Duramai unna ningi nela ekamayyele

Chinnari challagaali
Undundi meeda vali
Nee vechanaina
Upirudhe ippude

Sannanga manchu rali
Na kurula paina teli
Nelaga allaredho
Chese guppede

Nuv eppudochina teliyadu
Chappudaina cheyakunda
Reppalu musinavule

O kotha lokame malli
Premalona chuputunte
Cheekataina naku

Panducennele

Kurravada kurravada
Nuvve adugu jada
Gunde goda meeda unna
Bomma needira

Kurravada kurravada
Nuvve velugu needa
Manasu ninda poolu puse
Komma nuvvura

Cheekate kade veekuve vastundile
Girruna tirige bhoomi meede gelupundile

Nee vellu takinatti
Aa pustakaalu talli
Akasamandukonu rekkalochene

Aashalni mula katti
Pakkanne kurchobetti
Nuvvanna matalanni batalayyene

Nuv chentha levane sangathi
Intha kuda gurthu radu
Naa oohalanni neevile

Okkasari ne chadivithe
Marchiponu paatamaina
Pranametlaa nenu maruvagalanule

Kurravada kurravada
Nuvve adugu jada
Gunde goda meeda unna
Bomma needira

Kurravada kurravada
Nuvve velugu needa
Manasu ninda poolu puse
Komma nuvvura.
