

Kushi (Title Track) Song Lyrics

Kushi nuvvu kanabadithe
Kushi nee maata vinabadithe
Maangalyam thanthunaanena
Mamajeevana hethuna

Hey, nechheli nechheli vachhi
Visirinadhi vechhani vechhani valaa
Hey, muchatagaa nannu
Gilli gichhinadhi kala

Hey, vennela vennela velli virisinadhi
Kannula kannula mila
Hey, langaru dhaati
Dhooki ponginadhi ala

Hey, nuvvu nenu saath hein
Neethone naa pyaar hein
Egase prema rang rang
Barasath hein

Kushi nuvvu kanabadithe
Kushi nee maata vinabadithe
Kushi nuvvu jatha kadithe
Kushi naa ollantha thullinthe

Thumhaara matthulo
Elaa paddaano pichhigaa
Hamaara maayalo
Ila thelaane haayigaa

Nijam ne cheppanaa
Nuvvele naaku aashiqui
Pramaanam cheyyanaa
Sadhaa neethone zindagi

Dil mein dhadkan
Nee oopiri thagilindho
Mann mein thoofan
Ninu thaakina aa nimisham

Hey, nechheli nechheli vachhi
Visirinadhi vechhani vechhani valaa
Hey, muchatagaa nannu
