

Kya baat hai tu saath hai
Kya baat hai tu saath hai
Are bolo dil kya kahta hai
Dil kahta hai dil ke andar
Ek deewana rahta hai
Kya baat hai tu saath hai
Kya baat hai tu saath hai
Ye dhadkan kya kahti hai
Is dhakan mein ek deewani
Aati jaati rahti hai
Kya baat hai tu saath hai

Kya baat hai haan tu saath hai

Bol bhala sawan ka mausam
Kab aata hai
Are jab tu zulfe khole
Sawan tab aata hai
Ab ye baata mere saathiya
Kyu kangana khan khan karta hai
Mujhko to lagta hai
Ye bhi janam janam kahta hai
Kya baat hai tu saath hai
Kya baat hai tu saath hai

Pyar kise kahte hai
Tum khul kar samjhao
Achha jo puchu mujhko
Sach sach baatlao
Kya nind nahi aaye
Ha nind nahi aaye
Kya chain nahi aaye
Ha chain nahi aaye
Khana pina na suhaye
Khana pina na suhaye
Meri yaad sataye
Teri yaad sataye
Kamal hai kamal hai
Are yahi to mera bhi hal hai
Hum dono ka sajan dil

Pyar se malamal hai

Kya baat hai tu saath hai
Kya baat hai tu saath hai
Are bolo dil kya kahta hai
Dil kahta hai dil ke andar
Ek deewana rahta hai
Kya baat hai tu saath hai
Kya baat hai tu saath hai.
