

Kya bataaon mohabbat hai kya
Kya bataaon mohabbat hai kya
Kya bataaon mohabbat hai kya

Sine men rah rah ke dard uth rahaa hai

Magar aa rahaa hai mazaa

Mausam to haradam badalate rahe hain
Mausam to haradam badalate rahe hain
Aramaan dil ke machalate rahe hain
Aramaan dil ke machalate rahe hain
Kya baat hai chhu ke aanchal mera
Kya baat hai chhu ke aanchal mera
Bhaag jaati hai paagal hawaa
Kya bataaon

Kya bataaon mohabbat hai kya
Kya bataaon mohabbat hai kya

Pahale bhi toofaan aate rahe hain
Pahale bhi toofaan aate rahe hain
Basti dilon ki mitaate rahe hain
Basti dilon ki mitaate rahe hain
Kaisa ye toofaan aate hi jis ke
Kaisa ye toofaan aate hi jis ke
Nayaa, ik jahaan bas gayaa

Kya bataaon muhobbat hai kya

Pahale bhi the chand taare gagan mein
Pahale bhi the chand taare gagan mein
Lekin hamesha andhera tha man mein
Lekin hamesha andhera tha man mein
Woh muskaraaen to man ke andhere mein
Woh muskaraaen to man ke andhere mein
Jaise diya jal uthaa

Kya bataaon.
