

Yaara o yaara yaara o yaara
Chanda jaisa chehra uska
Badan gulaabo jaisa
Uthati jukati do aankhon mein
Nasha sharabon jaisa
Yaara o yaara
Husn ki daulat ishq di kismat
Wohi jaan se pyaara
Yaara o yaara yaara o yaara

Kya batayen ke kya mohabbat hai
Kya batayen ke kya mohabbat hai
Sach to ye hain khuda mohabbat hai
Kya batayen ke kya mohabbat hai
Kya batayen
Kya batayen ke kya mohabbat hai
Kya batayen

Rab kis dil ko judaai na de
Rab kis dil ko judaai na de
Sajdo ko mere dar ye bahot hain
Sajdo ko mere dar ye bahot hain
Duniya ko mujhko khudai na de
Rab kis dil ko judaai na de
Rab kis dil ko judaai na de
Sip mein moti deep mein jyoti
Dil mein dil ka dilbar
Jal duniya mein pyar nahi
Duiya ko na kar pathhar
Kisi ka ban jaa ban jaa
Kisi ka ho jaa ho jaa
Kisi ka ban jaa ban jaa
Kisi ka ho jaa ho jaa
Khoon ki dilkashi mohabbat hai
Chaand ki chandani mohabbat hai
Mera kaba ho ya teri kashi mohabbat hai
Kisi ka ban jaa ban jaa
Kisi ka ho jaa ho jaa
Kisi ka ban jaa ban jaa
Kisi ka ho jaa ho jaa

Main kya jaanu tu bata
Haan aa aa tu hain mera kaun
Mere mann ki baat ko khol de maun

Main kya jaanu tu bata tu hai mera kaun
Tu hai mera kaun tu hai mera kaun
Mere mann ki baat ko bole tera maun
Dhadkano ki sada mohabbat hai
Dhadkano ki sada mohabbat hai
Sach to ye hai khuda mohabbat hai
Sach to ye hai khuda mohabbat hai
Kya bataye ke kya mohabbat hai
Kya bataye

Kisi ka ban jaa ban jaa
Kisi ka ho jaa ho jaa
Kisi ka ban jaa ban jaa
Kisi ka ho jaa ho jaa

Taaron mein chamak phoolo mein rangat
Rangat na rahegi
Taaron mein chamak phoolon mein rangat
Rangat na rahegi
Kuchh bhi na rahega jo mohabbat na rahegi
Kisi ka ban jaa ban jaa
Kisi ka ho jaa ho jaa
Kisi ka ban jaa ban jaa
Kisi ka ho jaa ho jaa

Ishq ka rasta ishq ka rasta
Yaar ki yaari yaar ki yaari
Ishq ka rasta yaar ki yaari
Din dharam dildaari
Jo soorat dil dekha jaaye
Woh hi sab se pyari
Kisi ka ho jaa ho jaa
Kisi ka ban jaa ban jaa
Kisi ka ho jaa ho jaa
Kisi ka ho jaa ho jaa
Kisi ka ban jaa ban jaa

Kisi ka ho jaa ho jaa

Dard e dil ki jabaan hai mohobabat
Har nayi dastaan hai mohobbat
Aasmaan se zameen tak yaaro
Hum jahaan hai wahaan hai mohobbat
Koi pukaare allah usko
Koi kahe ghanshyaam
Jaisa jiske mann ko bhaaye
Waisa uska naam

Koi pukaare allah usko
