

Kya hawa kya baadal, kya dharti kya ambar  
Kya hawa kya baadal, kya dharti kya ambar  
Kya parbat kya sagar, kya basti kya jungle  
Kya parbat kya sagar, kya basti kya jungle  
Tu hi toh hai sab mein hai teri chaaya  
Kya hawa kya baadal, kya dharti kya ambar  
Kya hawa kya baadal, kya dharti kya ambar  
Kya parbat kya sagar, kya basti kya jungle  
Kya parbat kya sagar, kya basti kya jungle  
Tu hi toh hai sab mein hai teri chaaya  
Kya hawa kya baadal, kya dharti kya ambar  
Kya hawa kya baadal, kya dharti kya ambar

Kahin bhole bhole mukhre  
Kahin khushiyan toh kahin dukhre  
Tu hai rangon ka jharoka ya hai nazron ka dhoka  
Tu hai rangon ka jharoka ya hai nazron ka dhoka

Jab teri kirpa se hai duniya ke dam mein dam  
Jab teri kirpa se hai duniya ke dam mein dam  
Phir kyun hai yeh hahakaari, phir kyun hai maatam  
Sab allah ke banday, sab allah ke banday  
Jeevan sookha jaaye jaaye, bade dino din gham  
Aap karein, din raat karein, phir bhi kehlaaye hum  
Sab allah ke banday, sab allah ke banday  
Apni nazar ghuma, sara jag hai badguma
