

Ooh... aah!  
Baby let me love you  
Ooh... aah!  
Baby let me kiss you  
Ooh... aah!  
Baby let me hug you  
Ooh... aah!  
Baby let me, love you

In baazuon mein jo le lo mujhe  
To chain shayad miley  
Aao mita bhi do ab toh mere  
Tann mann ke saare giley

Main hoon tarsi tarsi  
Tarsa tarsa hai yeh mann  
Kya kahoon jaaneman  
Jalta hai kyun yeh badan  
Kya kahun jaaneman  
Jalta hai kyun yeh badan

Ooh... aah!  
Baby let me love you  
Ooh... aah!  
Baby let me kiss you  
Ooh... aah!  
Baby let me hug you  
Ooh... aah!  
Baby let me, love you

Dekho dheeme dheeme  
Haan kaise hosh kho gaye  
Ho.. tum to dheere dheere  
Haan bas mere ho gaye  
Bechainiyan aur main hoon  
Betaabiyan aur main hoon  
Meethi si har ang mein hai thakan

Kya kahoon jaaneman  
Jalta hai kyun yeh badan  
Kya kahun jaan-e-man

Jalta hai kyun yeh badan

Main hoon baawali si  
Haan tum bhi ho manchale  
Hmm.. dekho mitne hi thhe  
Haan jo bhi thhe faasle  
Ab na koi main aur na tum  
Ik doosre mein dono gum  
Kaisi hai deewane dil ki lagan

Kya kahoon jaaneman  
Jalta hai kyun yeh badan  
Kya kahun jaan-e-man  
Jalta hai kyun yeh badan

Ooh... aah!  
Baby let me love you  
Ooh... aah!  
Baby let me kiss you  
Ooh... aah!  
Baby let me hug you  
Ooh... aah!  
Baby let me, love you.
