

Kya kehana kya kehana tera kya kehana
Nahi rehana nahi rehana tere bin nahi rehana
Kya kehana kya kehana tera kya kehana
Nahi rehana nahi rehana tere bin nahi rehana
Saathiya o beliya faisla yeh kar liya

Kya kehana kya kehana tera kya kehana
Nahi rehana nahi rehana tere bin nahi rehana

Teri mast amst ankhdiyo
Se pee ke aa gayi jeene ki ada
Teri mast amst ankhdiyo
Se pee ke aa gayi jeene ki ada
Main hun khushnaseeb mujhe wahi mila
Maine jiska sang chaha tha sada
Main hun khushnaseeb mujhe wahi mila
Maine jiska sang chaha tha sada
Dard judaai ho
Dard judaai ho kyun sehna
Kya kehana kya kehana tera kya kehana
Nahi rehana nahi rehana tere bin nahi rehana

Chudiya kangna haar gale ka jo chahe lele
Aaj na kariyo laaj tere sang sajan tere
Kajra gajra aur pawan bindiya
Tu jise hi shobha dega
Itna karungi pyaar ki
Sab kuchh tu khud hi la dega
Piya tera pyaar
Piya tera pyaar mera gehana
Kya kehana kya kehana tera kya kehana
Nahi rehana nahi rehana tere bin nahi rehana
Saathiya o beliya faisla yeh kar liya
Saathiya o beliya faisla yeh kar liya
Kya kehana kya kehana tera kya kehana
Nahi rehana nahi rehana tere bin nahi rehana.
