

Tere saath nahi koi  
Baby I'm alone too  
Teri aankhein mujh pe hain  
My eyes on you

I don't wanna party  
You don't wanna stay  
Chaahti toh tu bhi hai  
But you don't wanna say

Lagta hai moment hai bilkul sahi  
Baahar khadi Maserati nayi  
Teri saheli thi woh bhi gayi  
Woh bhi gayi...

Kya kehte ho.. kya kehte ho?  
Kya kehte ho.. kya kehte ho?  
Kya kehte ho.. kya kehte ho?  
Kya kehte ho.. kya kehte ho?

Waise baby mera koi type nahi but  
Lagti tu mujhe mere type ki  
Agli line tujhe dekh kar type ki  
Bharatlyrics.com  
Already badi hype baby teri hype ki

Baby main bhi thoda swaggy swaggy swaggy  
Balenciaga jacket baggy baggy baggy  
I'm a little bit braggy braggy braggy  
Tu to minute'on ki game jaise maggi maggi maggi

Ghalat-fehmi na rkhna koi  
Tera deewana main bilkul nahi  
Tujhko bhi main chahiye hoon abhi  
Haan haan abhi...

Kya kehte ho.. kya kehte ho?  
Kya kehte ho.. kya kehte ho?  
Kya kehte ho.. kya kehte ho?  
Kya kehte ho.. kya kehte ho?

Na mujhe chahiye tera number na Insta  
Na chahiye mujhe tera Snapchat  
Na mujhe chahiye koi if, no, may be  
No baby baby I don't have that

Na mujh mein hai itna sabar  
Na ban'na chaahun main tera lover  
Just wanna know,  
If you wanna leave with me right now?  
Right now...

Kya kehte ho.. kya kehte ho?  
Kya kehte ho.. kya kehte ho?  
Kya kehte ho.. kya kehte ho?  
Kya kehte ho.. kya kehte ho?
