

Marhaba aa marhaba marhaba
Main rubaroo aasman ke
Aks meri aas taake
Chha gaye sabki nigaahon mein
Mutthi mein hai saara jahaan
Maine jo chaha aa
Gaya meri panaaho mein

Ye shohraton ke taaz hai
Ye daulatein jo aaj hai
Sab kuch yahaan ik raaz hai
Haan raaz hai
Khud pe mujhe jo naaz hai
Ye jo naya andaaz
Sab kuch yahaan ik raaz hai
Haan raaz hai
Marhaba aa
Marhaba marhaba

Morey saiyan
Morey saiyan
Kaahe chhodi mori baiyan
Morey saiyan saiyan

Kaise mod pe laaya
Mujhko mera faisla
Haath se manzil chhota
Hai pairo se raasta
Meri khatao'n ki ab
Maine paayi hai sazaa
Aage kya mera hashr
Ho jaane woh khuda
Marhaba aa marhaba marhaba

Main rubaroo aasman ke
Aks meri aas taake
Chha gaye sabki nigaahon mein
Mutthi mein hai saara jahaan
Maine jo chaha aa
Gaya meri panaaho mein

Dhoom tana dhoom tana
Ra re ra re ra yeh raaz hai
Dhoom ta dum dhoom
Ta dum de re na na
Kya raaz hai.
