

Kyun dil bichade yaar ko rove  
Esa kisika haal na hove  
Kyun ban jate hai log diwaane  
Jo pyaar kare wo jane  
Jane re jo pyaar kare wo jane  
Kyun dil bichade yaar ko rove  
Esa kisika haal na hove  
Kyun ban jate hai log diwaane  
Jo pyaar kare wo jane  
Jane re jo pyaar kare wo jane

Ye majburi kitani dooriye  
Betabi ye tanhayi  
Is duniyaa me aur kisiko  
Rabba mile na esi judai  
Waqt yahin pe tham na jaaye  
Saans ki dori tut na jaaye  
Aaj mohabbat ke hatho se  
Aas ka daaman choot na jaaye  
Kyun dil bichade yaar ko rove  
Esa kisika haal na hove  
Kyun ban jate hai log diwaane  
Jo pyaar kare wo jane  
Jane re jo pyaar kare wo jane

Saare vaade saari kasmе  
Saari rasme tod ke aaja  
Teri mohabbat tujko bulaye  
Saari duniyaa chod ke aaja  
Is duri ke dard ko banteik  
Duje se lipat ke role  
Koi juda kar paayen na  
Hum koase ek duje ke ho le  
Kyun dil bichade yaar ko rove  
Esa kisika haal na hove  
Kyun ban jate hai log diwaane  
Jo pyaar kare wo jane
