

Kyun ghum hai khushiyan
Om namah shivaye
Om namah shivaye
Om namah shivaye
Om namah shivaye

Aankhon ke aansu kaise mein rokun royun
Aankhein yeh, roye dil bhi mera
Ya mein jaanu ya dil yeh jaane
Tere bin kaise beetay pal bhi mera
Kaise do raahein pe mein aaya
Koi jaane naa
Maine kya khoya kya hai
Paaya koi jaane na
Kyun ghum hai khushiyan
Om namah shivaye
Om namah shivaye
Om namah shivaye
Om namah shivaye

Ghum hai khushiyan khushiyan ghum hai
Ghum hai khushiyan khushiyan
Ghum hai khushiyan kyun ghum hai

Koi bataaye
Kyun yeh sajaa yeh paayi hai maine
Aise bewajah
Mujhko hai kehna, manoonga main na
Mere khuda hai, teri jo raza
Duniya mein meri kyun andhera
Dil mein hai chaaya
Hoti hai shaamein aurr
Savera, kiska hai saaya
Kyun ghum hai khushiyan
Om namah shivaye
Om namah shivaye
Om namah shivaye
Om namah shivaye
Om namah shivaye
Om namah shivaye

Om namah shivaye

Om namah shivaye

Ghum hai khushiyan khushiyan ghum hai

Ghum hai khushiyan khushiyan

Ghum hai khushiyan kyun ghum hai.
