

Kyun kaho usey main sochun
Gaya jo woh toh gaya
Shuru yeh din hai naya
Hataake tension sir se
Shuru karun sab phir se
Jo khona tha woh kho gaya

Kyun ro ke bigaadu raatein
Sochun woh mulaqatein
Meri-tumhari baatein
Chhode yaadon ke kunde
Bola ke dil toh sunbe

Woh chakkar poora ho gaya
Ab har subah hai meri
Taaza taaza cherry
Khidkiyon pe thehari
Dhoop hai sunehari
Tale hai ye meri ya hai mera jahaan
Wo..oo..

Haan log sab mere dost ab mere
Yaad nahi teri raah saari meri
Chal padun jahaan bhi raasta hai wahaan

Kyun hai..mujhe mohabbat
Kyun hai..ye aashiqana
Kyun hai..mujhe mohabbat
Kyun hai..ye aashiqana

Summer is gonna be winter yo
Sunrise with the golden glow
I can't live like that
I have a soul so let me show
What if i saw you, missed you,
Loved you, touched you, feel you so
Can't die for all the things
That don't have any place, no
Life is one chance so
I wanna sip-in dip n live in too let me go

I'll be born again, rest just sayin' again
And that's important so
Kick hard and goal is yours

Haan log sab mere dost ab mere
Yaad nahi teri, raah saari meri
Chal padun jahaan bhi raasta hai wahaan

Kyun hai.. Mujhe mohabbat
Kyun hai.. Yeh aashiqana
Kyun hai.. Mujhe mohabbat
Kyun hai.. Yeh aashiqana

Nahi hai saathi jo saath mein
Uska kya gham hai kiya jaaye,
Gham kiya jaaye
Usse yaad kar meethe meethe
Dard se main muskuraun
Wo bhi muskuraye
Yahi zindagi ka matlab hai
Jo aata ho aaye, jo jaata ho jaaye
Kabhi milenge achaanak phir kahin
Till then bye-bye
I'll miss you bye, bye, bye!

Kyun kaho ussey main sochu
Gaya jo woh toh gaya
Shuru hai ye din nayaa
Hata ke tension sir se
Shuru karun sab phir se
Jo khona tha wo kho gaya

Ab har subah hai meri
Taaza taaza cherry
Khidkiyon pe thehari
Dhoop hai sunehari
Tale hai ye meri ya hai mera jahaan

Kyun hai..mujhe mohabbat
Kyun hai..yeh aashiqana
Kyun hai..kyun hai mujhe mohabbat

Mujhe mohabbat.. Kyun hai
Mujhe mohabbat kyun hai
Kyun hai..yeh aashiqana
Kyun hai..mujhe mohabbat...
Kyun hai..yeh aashiqana.
