

Kyun phoolon ke  
Khile khile rang ud gaye  
Kyun phoolon ke  
Khile khile rang ud gaye  
Kyun phoolon ke  
Khile khile rang ud gaye

Kyun in dino  
Khud se rehti hoon  
Mein khafa khafa  
Khafa khafa

Kyun phoolon ke  
Ude ude rang ud khile  
Kyun phoolon ke  
Ude ude rang ud khile

Kyun in dino  
Hosh mein hai mere  
Nasha nasha  
Nasha nasha

Kyun phoolon ke  
Khile khile rang ud gaye

Teri meri takraro se  
Bana dil ka yeh rista hai  
Aaina to mein dekhu to  
Tera chehra hi dhita hai  
Jab se mujhse tu mili

Jane kaise mulakaton mein  
Yunhi aisi waise baaton mein  
Kare chote mote vaadein the  
Isi chote se bahane se  
Pakke tujhe kho diya

Meri hi hai khata  
Meri hi hai saja  
Phir bhi dil kahe  
Yeh kyun hua

Aaj se jo mere kal honge  
Teri aankhon mein woh dekhte hai  
Teri baaton ke jo aksar hai

Dhuan dhuan si kahani hai  
To bhi aankhon mein bhi paani hai  
Galon se yeh jo guzarti hai  
Tere gam ki nishani hai  
Mit si gai har dua
