

Manawa mein mere aandhi hai
Uthi bas stubdh khadi hoon main
Saanson mein paar apani hi
Saans nishabd khadi hoon main
Duniya se jeeti jeeti khud se
Haari bas dhwast khadi hoon mein
Aaina main aur aks main
Madmast khadi hoon main

Laaga chunari mein daag chhupaau kaise
Laaga chunari mein daag
Chunari mein daag chhupaau kaise
Ghar jaaou kaise laaga chunari mein daag
Cham cham cham cham jhanjhwaat
Antar mein gunje divas raat
Ek shunya shunya tapti vishal
Maaya ka madhyam mantra jaal
Mann ki dasa se ladati main
Phirati vishwast khadi hoon main
Mari laaj main hoon chunar bhi
Main hoon chunar pe daag bhi main
Ho gayi maili mori chunariya
Kore badan si kori chunariya
Ho gayi maili mori chunariya
Kore badan si kori chunariya
Jaake baabul se nazarein
Milaau kaise ghar jaau kaise
Laaga chunari mein
Daag chhupaau kaise
Laaga chunari mein
Daag chhupaau kaise

Main dhwast dhwast main nasht
Mast main saral viral main ativishti
Main shaam shwet baadal me
Rate nirjhar si jhari hoon main
Andhiyaari raat deepak mein
Baat swapnil si bhari hoon main
Kanchan ki kaaya apna hai
Saaya bas khud se ladi hoon main

Lakadi mein gili thodi simi simi
Tham thamke chali hoon main
Hai maaya maaya hai chhaaya
Chhaaya aatma par saaya main
